## **Summary Senate Bill 739, P.N. 824**

**Prime Sponsor: Senator Yaw**

### **Summary**

- Amends the Alternative Energy Investment Act to provide \$15,000,000 for grants to schools, hospitals and small businesses to obtain access to natural gas service.
- Grants may provide up to 50% of the cost of the project.

### **Current Law**

- Alternative Energy Investment Act provides \$25,000,000 for loans or grants to small businesses for the construction or renovation of a building for the use of the small business or individuals for the construction or renovation of a dwelling if the individual does or will occupy the dwelling as his primary residence.

### **Effective Date**

- The act shall take effect in 60 days.
