Summary House Bill 2278, P.N. 3838 **Prime Sponsor: Representative Pickett**

Summary

- Creates the freestanding Unconventional Well Report Act.

Analysis

- Requires unconventional well operators to report production data to DEP on a monthly basis, with the initial report due by March 31, 2015.
- The bill also repeals Title 58 § 3222(a.1), relating to unconventional well reporting requirements, which currently requires biannual reporting.

Effective Date

- The repeal provision is effective March 31, 2015; the remainder of the act is effective immediately.
